

OSWEGO POLICE DEPARTMENT

MONTHLY REPORT

Date: June 24, 2008
To: Village President and Board of Trustees
From: Dwight A. Baird, Chief of Police
Month/Year: MAY 2008

Law of Interest

This time of year, especially with the warmer weather, we receive more and more complaints about cars playing loud music. While this is annoying to most, it is especially dangerous to the violator because they may not hear emergency sirens approaching. The Oswego Police Department, with its goal of educating the motoring public, will continue to aggressively pursue this type of violation.

The following traffic law can be found in the Illinois Vehicle Code 625 ILCS 5/12-611 titled, Sound Amplification Systems. The law is written as follows: "No driver of any motor vehicle within this State shall operate or permit operation of any sound amplification system which can be heard outside the vehicle from 75 or more feet when the vehicle is being operated upon a highway, unless such system is being operated to request assistance or warn of a hazardous situation. This section does not apply to authorized emergency vehicles."

Smart Trailer Log for 2008

A S.M.A.R.T. Trailer was utilized during the Rapid Response Training sessions as a tool to notify motorists of the training being conducted by the Oswego Police Department. One of the features of the new trailer is the ability to program the light emitting diode (LED) display panel with driver safety or general messages. The trailer will continue to be used for future off-site training and other major events.
