## New Police Headquarters

# Blueprints for the Week

September 29, 2017

Editor – Deputy Chief Jim Jensen

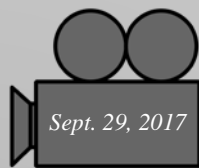

Volume 2, Issue 4

### Photo of the Week

The installation of the exterior brick will begin next week! Crews are installing the rubberized air moisture barrier to the masonry walls.

*The second of seven layers in the wall!*

### Video Clip of the Week

This week's video is another time-lapse, containing 12 hours of footage, condensed into a 2 minute clip. Click on the link below to view:

## Steel

AREA Erectors have been working hard setting the steel support and I-beams for the second floor which will house Administration, Social Services and Investigations.

## Range Update

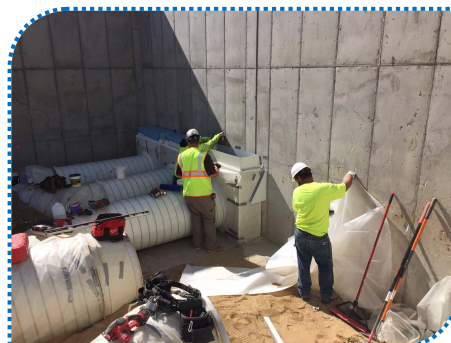

The Range is moving right along! Crews are working on the underground ventilation system and floor of the range. While the pictures below won't show the finished floor, it will show you what is under the floor.
